Greener Greens!!

As we all become more and more aware of our carbon footprint Newquay Fruit Sales is striving to reduce our emissions and look after the environment.

We use recycled paper for your invoices, envelopes and all outgoing correspondence - including this newsletter.

We will willingly collect our cardboard delivery boxes from you and either re-use them or send them to be recycled.

All paper, glass, plastics, cardboard and ink cartridges are recycled.

Our delivery vehicles collect local produce direct from growers on the return journeys - reducing unnecessary food miles

All Major Credit & Debit Cards Accepted
